

Smartwell® Touchless Beverage Dispenser

Custom Hydrating, Completely Hands Free

Give your clients and team members an experience to remember, completely hands free. The cutting-edge, eco-friendly technology of Smartwell® aligns with your business — providing users with custom beverages on demand in a more hygienic way.

Dispense delicious, custom beverages using your mobile device.

WATER YOUR WAY

Still or sparkling water with single or mixed fruit flavor; electrolytes, vitamin C or caffeine enhancements.

ECO-FRIENDLY

Multiuse pouches reduce waste by providing up to 300, 8-oz. beverages per pouch.

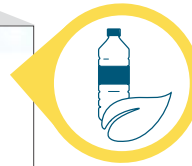

HEALTHY HYDRATION

A healthy alternative to sugary beverages; provides filtered water with natural flavors and enhancements, all with zero calories.

BOTTLES SAVED

Green Ticker™ counts the number of disposable, single-use bottles served without the waste.

TOUCHLESS DISPENSING

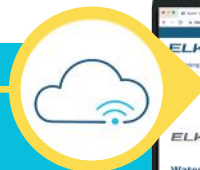

Create beverages, view nutritional information and maintain units all from the touch screen or your mobile device.

Get smart about flavored drinking water at elkay.com/smartwell.

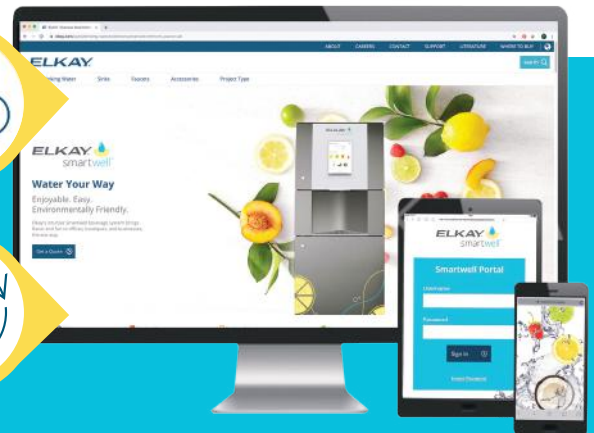

ONLINE PORTAL

Staff can conveniently monitor units, maintain notifications and manage orders – all from computers, smartphones or tablets.

SMART REFILL

Connected unit tracks usage and sends reports when flavors, enhancements, filter and CO₂ need replacing.
